RESIDENCE 7 WINDOWS | CLOTTED CREAM ● CHALK WHITE

My RESIDENCE

Case Study

Opting for Residence 7 in a faux sliding sash style configuration, The Fletcher's have renovated this beautiful country home to keep its cottage aesthetic with no compromise on function.

Clotted Cream blends seamlessly into the red brick for a traditional feel, while internally Chalk White gives the perfect neutral base; and this home certainly has some serious interior design style!

The big windows also give Betty the cat plenty of room to watch the world go by.

Double glazed windows - 28mm glazing achieves up to A/1.2W/m²K
